## **Product Description**

## Grasshopper MidMount 124V - 41" B&S

The Model 124V is the perfect introduction to Grasshopper comfort, quality, and durability for residences or landscape professionals just starting out. The smaller size of the Model 124V zero-turn riding lawn mower combines powerful performance with a compact design, professional-grade features, and zero-radius maneuverability that is ideal for tight quarters mowing.
